The Organiser cordially invites abstracts and full-length research/review papers from all over the world to participate in the **International Conference on “Management, Engineering, Sciences and Humanities” 2025 (MESH - 2025)**. Topics of interest for submission include various subtheme, but are not limited to the conference aims. The aim of the MESH-2025 conference is to provide a forum for laying the foundations of a new principled approach to the advanced research in Management, Engineering, Sciences and Humanities subject areas. To this end, the meeting aims to attract participants with

different conference theme backgrounds, to foster cross-pollination between different research fields, and to expose and discuss innovative theory, frameworks, methodologies, tools, and applications for sustainable development. All contribution should be of high quality, original and not published elsewhere or submitted for publication. During the review period, papers will be reviewed by eminent scholars in the respective areas. All submitted papers will be published in Special Issue of journals **IJSRED (International Journal of Scientific Research and Engineering Development)**, **Cureus Journal of Computer Science (Springer Nature)**, **Cureus Journal of Engineering (Springer Nature)**, **Cureus Journal of Business and Economics (Springer Nature)**.
